

GOVERNING BOARD
Resolution 2022-24

Whereas, CNM issues an annual computer purchase for replacement of computers reaching the end of their five-year life cycle. This request represents CNM's FY22 purchase using CARES funding. This purchase does not include other non-CARES funded replacements; and

Whereas, CNM solicited request for quotes from vendors with existing contracts per NMSA 13-1-129 and 13-1-135; and

Whereas, CNM's ITS Department requested quotations from Dell Marketing L.P., Hewlett Packard Company (HP) and Lenovo based on their existing Statewide Price Agreement, CES contract or other usable contracts; and

Whereas, Dell's price is \$45,671.85 lower in price than HP, CNM's ITS department recommends selecting HP for the following reasons. High repair counts on current Dell products provided from recent purchases. HP's laptop dock includes the specified audio jack; Dell offered an alternative but not preferred audio jack. HP's logistics team has proven stronger and better organized at providing Asset Tagging BIOS setup, green shipping and unboxing. Dell was the last awarded vendor and CNM experienced several problems with the Dell logistics team; and

Whereas, Purchase to Hewlett Packard Company can be made using existing Statewide Price Agreement (# 60-000-15-00008AH); now, therefore, be it

Resolved, That the Governing Board of Central New Mexico Community College hereby approves Hewlett Packard Company to be awarded \$906,620.85 for CARES funded PC replacements.

ADOPTED, this 10th day of May, 2022.
